

Who we are...

- We're a group of parents, educators, and community partners working to improve the educational experience for all children with disabilities in Austin ISD.

Our key objectives are...

- Increasing Inclusive Practices & Inclusion Model Adoption
- Improving Retention and Recruitment of Special Education Staff
- Better Integration of Bilingual Supports with Special Education Services
- Open & Transparent Communications Between Administration, Staff, Parents and the Community

What we do...

- Connect parents, educators, and community partners together to collaborate and support each other working on our objectives.
- Coordinate action campaigns to advocate for objectives to include communications to Austin ISD school board trustees & senior leaders, testimony at school board and committee meetings, and other public relations activities.
- Promote accountability through monitoring of data and participation in district activities.
- Share resources related to education of students with disabilities in Austin ISD.
- Support creation of special education parent groups at Austin ISD campuses in partnership with the PTA.
